RebornPack

Packaging

All our products are packed in 10kg. The laminated sheets (PE liner in one side) are packed in 20kg.

Our paper bags are packed in cartons, and the following information is written on the outside: product code, item description, date of packaging and date of printing, net weight, pieces per kilo and finally text QR code for easy item search on our site.

Our pack of sheets are polywrapped and four sides strapped, also labeled with product information.

All our products:

- ✓ Are recyclable.
- ✓ Excellent quality made from virgin raw material.
- ✓ Suitable for direct food contact, certified with **EN ISO 22000: 2005.**
